Body: Sew side and sleeve seams. Set in sleeves.

Edging: Using Size 3 crochet hook, work 1 row single crochet around the edges of the entire garment. Work 1 row single crochet around each cuff. Using crochet hook and CC, work 1 row of slip stitch around the single crochet edges.

Embroidery:

IMPORTANT:

Before beginning your embroidery, check the yarn you are going to use to make sure it is colorfast. Cut a 12" piece of each color. Fold the piece into thirds and tie a knot in the center. Dampen thoroughly in lukewarm water. Place on top of double paper towel, place a third paper towel on top of the yarn. Press hard to squeeze out all of the water. Let dry, then check to see if there is any indication of color bleeding out on the paper towels. If this happens DO NOT USE THIS YARN FOR YOUR JACKET.

The embroidery is worked on the reverse St st area of the front and back yokes. Use your creativity to work fantasy wild flowers along edges near the braided cable pattern and scatter few flowers in the center area. Use lazy daisy, French knot, bullion, straight, whip and outline stitches. Refer to pages 232/3 in Vogue Knitting, The Ultimate Knitting Book, Pantheon Books, NY, 1989, for further information on embroidery.

Finish: Block your garment and sew on the 6 heart buttons.
